BABY CAKES **ADORABLE AND FUCKABLE**

I filled out just a couple years ago and that's when the boys really started to notice me. They noticed my boobs and my butt, and I had to keep saying, "Guys, eyes up here." But after a while I stopped fighting it and now I want them to check out my butt and boobs. And when I'm naked, they all just go crazy for my rockin body!

PLEASURE BUNNY & KAPRI STYLES

WE GIRLS JUST LIKE TO HAVE FUN

We just got back from a shopping spree at our favorite sex toy store on Santa Monica Boulevard. The selection is amazing and we got some new things we hadn't seen before. One is a long, thick black vibrator with all sorts of veins on it. While it's nice, there was a matching eighteen inch double dong. We had to get the matching set. On our way out, Bunny found a long translucent brown dildo and a cute lavender belt for it. She just had to have it.

Black Dolls: Oh yeah, Nyomi is definitely a doll. I think she's one of the sexiest and sexual women in movies today. Her exotic looks and kick-ass body are the things my erotic dreams are made of. Thank you for letting her grace the cover of your last issue. I can't wait to see who's next.

– Lane, Denver

needed more than a short nap to cheer him up.

I told him that I was going to take a shower and wash the day off of me. He said that he was going to take one after me. I got undressed and stepped into the shower. I adjusted the water temperature and turned on the shower. I lathered up and washed my body. I then heard Austin coming into the bathroom. Over the water spray I heard him ask, "Is there room for one more?" I said "Yes."

Austin steps into the shower with me and immediately turns the handle to make the water warmer. He is six-foot-five with dark chocolate skin and the disposition off a teddy bear. We met three years ago here on campus and have recently started living together. I go to school and work and he has pro aspirations. We both are working hard to get a little further ahead.

Feeling much better

I quietly entered the apartment and snuck a peek in our bedroom door as quietly as I could. Austin was laying in bed looking at the ceiling. I walked over and asked how he was doing. I placed my hand on his shoulder trying to offer a little comfort, anyway. He mustered a little and I told him to try not to think about it. I leaned in and gave him a kiss on his cheek and said that they'd get 'em next year.

"Next year," he said. We were expecting it this year." I said he was only a junior and he has his best

year potentially ahead of him. Again he smiled and went back to looking up at the ceiling. He said he could use some more sleep. I said he needed a different diversion.

I rubbed my hand over his body, just covered by a light blue striped sheet, down his chest to his groin as I searched around for his cock. "Not now, babe," he said. He'd never rejected my touch before. I didn't think that losing in the third round of March Madness would hit him so hard.

After I left the bedroom I checked on him a half hour later and he was fast

asleep. I then decided to read for a bit and have a cup of coffee. I checked on him once again twenty minutes later. Austin heard the door open and his eyes blinked opened. I walked over to the bed and leaned in to give him a kiss.

He smiled and touched my hand and he moved over on the bed and I climbed in beside him. He took me into his arms and kissed me. He said, "Thanks for giving me some space babe." I laughed and told him he

His hand grabbed my whole pussy and he was massaging it and I could feel my juices start to flow. He then slid a finger, then two, then three...

I ask if he'd like me to wash his back. He soaped up his bath sponge with his favorite liquid soap and I started to lather his back. I washed his firm, tight butt taking time for him to feel the love. Then I pulled his shoulder, telling him to turn around. I only come up to his pecs so his nipples are at mouth height. I added more soap and started rubbing his chest, working my way down to his hips and privates.

I turned down the water to a trickle and squatted in front of him. I grabbed his cock and started to stroke it a little. I pulled it aside and washed his balls and the space between them and his butt hole. I spent a little extra effort on his balls and cock and he started moaning. I dropped the sponge and turned the water up to rinse him off.

I watched the water run down his chest and I worked it into his privates, rubbing and rinsing until it was squeaky clean. In a minute, I could see that his cock was getting harder and I took it in my hand. His cock was twitching as I started to lick the swollen head and while I was running my hand slowly up and down his shaft.

He was moaning softly

and I took his cock in my mouth. I loved the feel of the soft mushy head of his cock in my mouth. I rolled my tongue all over and sucked it. I took my other hand and squeezed his balls which made him moan more. He reached down with his hand and started to play with my nipples and they were quite hard by now. His hand grabbed my whole pussy and he was massaging it and I could feel my juices start to flow. He then slid a finger, then two, then three into my pussy and he started to finger fuck my pussy while I played with my engorged clit.

I so wanted him to plunge his hard cock into my pussy. I turned around and put both hands against the shower wall. I opened my legs more and he moved in and then I felt him penetrate me with his hard cock. I just loved the feel of his cock opening me up and he started to fuck my pussy slowly. He held on to my hips as he started to fuck me faster and harder. My pussy gripped his cock. I pushed against him and this caused his cock to go in deeper. I could feel my wetness dripping and the sounds of him pounding my pussy meshing with the sound of the shower. He grabbed hold of my hips tighter and pushed his body as

close to my body and I came and came.

I took his cock out and turned around. I positioned myself to the side of him and told him to put his hands on the shower wall and spread his legs. Then with one hand I reached under him and grabbed his balls, With the other I reached

handed him his. We dried off and went back to the bedroom to get dressed. Austin asked me not to get dressed. He led me to the bed and we both got in bed. I was happy to see he was feeling well again. We embraced and kissed and it was so nice to be held by him.

– Deniece, Dallas

around front and grabbed his cock and started stroking it with intent. He bucked his hips as I massaged his balls and worked a finger into his butthole. Suddenly, his cock shot out its cum against the wall as the water washed it down.

He pulled the shower head off its clamp and rinsed us both off again. I went out first and grabbed our towels and

Cum on in neighbor

The doorbell was ringing and I was rushing to answer it. I had just finished showering and still had the towel wrapped around me as I opened the door. Standing on my stoop was my new neighbor Kandyse. She had just moved into the neighborhood a few months ago and we had met several times before, but this was the first time that she had

It was the next day, as I woke up I found my Kandyse already awake. She was sucking my cock. It felt fantastic. I propped myself up on me elbows to watch her work.

come over. "Hello Kandyse," I said surprised. "Hi," she said back. "Is there something I can do for you?" I asked. "I came over for the fun," Kandyse replied.

I had a confused look on my face because I had no

shortly after she moved here. "May I please come in if you don't mind?" she asked in an almost shy voice. Fucking her would be a dream come true, I thought as she walked past me into my living room. I picked up her robe and closed the

idea what she was talking about. Kandyse then had me close my eyes. On her touch, I opened my eyes and saw Kandyse standing there completely naked, her robe on the ground around her high heeled ankles.

Shocked! "Holy shit!" I said surprised. "Do you like this? My ex paid for this body. Boobs, chin, butt, but now I have no one to share it with." Kandyse explained.

I had always found her quite sexy ever since the time we first met at the community center

door. She made herself comfortable on the sofa and asked for a drink. I went to the kitchen and brought back a bottled iced tea. I handed it to her and sat on the chair next to the sofa. She started talking about her ex and moving out on him and trying to adjust to a new place. I nodded in agreement as she meandered until finally she blurts out to show her my cock – "Please," she added

"Drop your towel," she says. I stood there dumbfounded for a moment but decided to do as she asked. Why not?

I dropped my towel and let her see my semi-erect cock. "I bet it's huge when it's hard," said Kandyse. "Bet you get all the chicks to fuck you." "Not really," I replied. "I've only had sex a few times."

I invited her to go to the pool since neither one of us needed a swimsuit. She laughed and we went out back to my pool. I jumped in first, then Kandyse. We both swam around awhile. "I've never skinny dipped before. This feels great," she says. "Same here," I said. "Do you like it when it touches your erection?" Kandyse asks. I was shocked and embarrassed; I didn't know what to say. Kandyse moved toward me. When she got to me, she kissed me. We started to make out and she grabbed my cock and gave it a slow stroke for every kiss. After making out for a few minutes, Kandyse said, "Let's go up to your room, I want you to fuck the shit out of me."

Kandyse placed the beach towel on my bed and got on top of it on her back. She smiled and said, "I want your hard cock inside me." I got on top of Kandyse and gave her a big kiss on the lips; I grabbed my hard cock and shoved it in her pussy. I fucked her at a fast pace at first. We were both very horny but Kandyse was even hornier. I want-

ed to change positions, but was way too horny to stop, so I just kept going. Kandyse just kept talking dirty to me about wanting to fuck me. She finally came. It was a huge one. I came a few seconds later, right into her pussy. Kandyse didn't want me to pull out, so I stayed in. .

We cuddled each other until we fell asleep. It was the next day, as I woke up I found my Kandyse already awake. She was sucking my cock. It felt fantastic. I propped myself up on me elbows to watch her work. She started at the tip with her tongue swirling around the head and moving down the shaft all the way to my balls. Then she pops up and takes it all in her mouth, again down to the base.

A minute later she tells me to get on all fours and slides herself under my cock and pulls my cock into her wide open mouth. She pulls my hips down so I begin fucking her mouth. I'm pumping it like a pussy as she's playing with my balls. She senses I'm about to cum and furiously massages my balls and. I climax and shoot like never before. She swallows every drop keeping my cock in her mouth until she knew I had emptied into it. Then she got up and went home. Damn girl!

I'M SUCH A GOOD GIRLFRIEND

I've always been a good girlfriend. I've been loyal, trustworthy and done whatever my boyfriends wanted of me sexually. But one thing I wasn't sure about was two guys. I didn't know that protocol. Who do I do first; what if the other guy cums before my boyfriend? What if I like the new guy more?

When I was asked to do a threeway, I reluctantly agreed, but when we started doing it, it was a real turn on. I got into flow that made my apprehensions go away. I was also surprised that my boyfriend handled it as well as he did. I was sure to make him the first to cum, but I admit, I got a better orgasm from the other guy. Maybe because he was new meat.

Soft, squishy and quite kissable. We love to have our boobs adored. Guys, keep in mind, If a bikini didn't cover them, you'd get bored of seeing boobs all the time. Just as the Europeans. But don't think I have forgotten my pussy. No way, it's the magnet that draws and keeps men. It's what they all aspire to and guess who has it, yes, we women do.

Well that cooled us off nicely, until we decided to bring out our favorite toy, the double dong. It's one that I keep especially for Jada. She liked it the very first time we used it and I promised I keep it just for her. Jada is such a nice girl and her sexual energy is off the charts. No wonder she heats up and has to cool off, too.

OVER 18 TO CALL.

we're daytona bitchin'

Since our college years at FSU several years ago, a group of us would meet at Daytona Beach to celebrate our friend Jazmyne's birthday – and our graduation, which just so happen to be the same day, June 12. As the years passed, the number of people who came shrunk from ten to just three this year. Most had all settled into jobs and families and it was harder and harder for them to get away. This year it was only Jazmyne, Lanie and me. At first I was bummed because no other guys had come, but then I realized it would be just me with these two hot babes. I know Jazmyne had a guy she was seeing but he was a soldier and out of the country. Lanie was recently divorced from this guy who was my best friend in college. I was always the player, but had settled down a little since getting a job in public relations. Still unmarried.

*The rest of the gang
didn't show this year.
Too bad!*

The two girls were already there when I arrived at the hotel. I found them in the bar, drinking and laughing. I expressed my satisfaction that it was only the three of us, but they seemed much more into themselves and their drinks. Jazmyne and Lanie decided to share a suite. They both have long dark hair and incredible bodies that look like dark honey. After hanging out during the day, we decided to shower up and grab a bite to eat at a nearby restaurant. They told me to stop by their room and pick them up. I got ready and made my way over to their suite, which faced the pool. I got there to see the door had been left open for me.

I announced my presence a couple times before I heard a voice from deep inside the suite telling me to come in and close the door. I followed the sound, which led me to their bedroom expecting to see them sitting on the bed talking or putting on make-up. Instead I got the surprise of my life. Jazmyne and Lanie were buck naked on the bed. Jazmyne was laying face down. Lanie was massaging her and it took me a moment to realize that she was also massaging her pussy. Jazmyne moaned as Lanie's fingers explored the folds of her perfect pussy. I watched for a few minutes before Jazmyne refocused on me and told me to come in.

She told me to close my gaping mouth and take off my clothes if I wanted to join them. My clothes hit the floor before she could finish her sentence. I could barely get my boxers off, because my dick was already at full force! I got onto the bed next to Lanie. She reached down and took hold of my rock hard dick and started to play with it.

Jazmyne smiled back at Lanie and I thought to myself that these two had been planning this. Lanie leaned over and started to suck on my cock. It felt wonderful as her tongue swirled around the head. Jazmyne flipped over and pushed me back onto the bed. They took turns licking and sucking on my dick. Jazmyne cradled my balls in her hand and gently sucked and played with them. It was like nothing I had ever experienced.

It was pure heaven. Just the sight of two heads giving me head was amazing. We guys are visual and this is the best visual I have ever seen.

Lanie pried herself from my cock and straddled my face as I stuck my tongue into her moist pussy. Her juices were all over my face before she even got down. I licked her clit and sucked on her large pussy lips. I reached up and started massaging Lanie's perfectly large breasts and slippery hard nipples that responded immediately to my touch. I was caressing her nipples and eating her pussy as I felt Jazmyne mount my cock. She moaned as she slowly slid onto my rigid pole. She started to ride me and I felt Lanie's pussy start to contract and she pushed it harder into my face. Her juices continued to gush and I continued to lick faster and harder. I spread her chocolate lips to reveal her pink insides and that made me even hornier. Her clit was hard and seemed like it was getting bigger and bigger. I was loving it.

With a few good licks and a finger massage of her pussy lips, Lanie's entire body shuddered and she cried out in pleasure. She turned around and moved off my face lowering hers to Jazmyne's and I could see them kissing. Their tongues danced in and out of each other's mouths.

Then I felt Jazmyne's pussy start to contract. She grabbed onto Lanie and rode me harder. Lanie massaged her breasts and kissed her neck as she trembled with orgasm. It was all too much for me to take and I shot my big wad into her pussy. Jazmyne cried out that she could feel my hot cum flowing into her. She rolled off of me and spread her legs so

Lanie could go down there with her tongue and lick my cum out of Jazmyne's pussy. I knelt over the two girls watching them. My cock started getting harder as I watched and Jazmyne reached over and started stroking my cock. It was getting harder in her hand and she pulled it into her mouth and started licking me feverishly as Lanie was still licking her pussy.

I could see Lanie checking out the cock sucking action and stopped licking Jazmyne's pussy. She looked at me and spread her pussy lips wide as an invitation to fuck her. It was one I could not refuse. Jazmyne pulled my cock out of her mouth and guided it into Lanie's pussy. I slid my rock hard cock into her. Jazmyne got off bed for a moment and grabbed something from her suitcase. I heard a muffled buzz as she turned on a little vibe and put it on Lanie's clit. I could also feel the sensation vibrating through my cock as I fucked her. I blurted out that it felt great and with that Jazmyne moved behind me and stuffed it between my ass cheeks. I was surprised and gave a big forward thrust into Lanie. She screamed a little as did I when I felt it back there.

Jazmyne told me to relax and moved the buzz around my butt-hole. Damn, that felt good. I had never felt that before. She played around there for a few minutes and moved the vibe down between my legs just behind my balls. Man, was I feeling it. She moved it back and forth between

(She turned around and moved off my face lowering hers to Jazmyne's and I could see them kissing. Their tongues danced in and out of each other's mouths.)

DO I LOOK THE PART?

*I'm rich, single and looking for sex.
I get invited to all the right parties,

*I step out of the bed to watch these beautiful
mocha babes finish each other off one more
time in a sweet sixty-nine.*

my anus and balls, changing the speed to drive me even crazier. Satisfied with that, Jazmyne grabs a dildo she had handy and begins to tease my ass with it. I close my eyes, still fucking Lanie and let the new sensation sweep over me. She spreads a little lube around by hole and slowly pushes it in.

Wow, that felt good, I thought to myself, never thinking that my ass would ever be penetrated. And by a woman with a dildo. Damn! Jazmyne moves around front holding the dildo in my ass with one hand and she puts the buzzing vibe onto Lanie's clit. Immediately we both moan as the vibrations make the fucking more intense. Jazmyne moves her hips so her pussy is over Lanie's face, who begins to eat her like there's no dinner later. She still has one hand around my hips holding the dildo in my ass. I've become comfortable with it now and am letting the feelings melt together.

I take my cock out of Lanie's pussy and stuff it right into Jazmyne's waiting mouth. After a few strokes I slipped it back into Lanie, and then back into Jazmyne's mouth. I could do this all day. I started to stroke harder and faster into Lanie's pussy as she began to buck wildly. She pulled me into her as she came and pulled Jazmyne's pussy onto her face. Jazmyne cums instantly and I see her love juice flowing into Lanie's mouth. She slurps and licks it all up. Then Jazmyne says to me that she wants me to cum inside Lanie so she can lick it out of her pussy. I do just that and her pussy disappears under Jazmyne head.

I move up to Lanie's face and straddle it. Jazmyne moves her hips so I

can get in there. Lanie grabs my cock and takes the head with her moist lips. She strokes the shaft wildly trying to coax more cum out of me. I was ready to spurt again and Lanie knew it by the way I was fucking her mouth. After a few more strokes and Lanie's hand massaging my balls, I blow another load onto her face. Jazmyne slides up Lanie's body and begins to lick her face, sharing a long, deep tongue kiss with her friend. I step out of the bed to watch these beautiful mocha babes finish each other off one more time in a sweet sixty-nine. They both cum with soft murmured moans and I climb back in bed with them. Now it's almost midnight we're all beat.

Twelve hours later, still in deep sleep, I'm awakened by Lanie sucking on my cock. Jazmyne was already up and had grabbed her iPhone to shoot a video of it. She said it was just for her. Right! I came in Lanie's mouth and she took every drop. Jazmyne gave Lanie the iPhone and pulled my head down into her pussy which I happily licked until she came. Lanie said she missed some of it and wanted me to lick her again. Jazmyne said 'Oh yeah!' as I dove in for more. Then it was my turn to video the two of them getting it on. I directed them to kiss and didn't have to say another word. I propped the iPhone against a pillow and let it continue shooting. I jumped in between them and we did a three-way oral daisy-chain.

Then there was a loud knock on the door. "Room service."

A full-page photograph of a woman with long dark hair, wearing a blue crop top and light blue underwear, posing on a dark leather couch. She is looking back over her shoulder at the camera. A tattoo is visible on her lower back. In the background, there is a bed with a striped pillow and a window with blinds.

THIS BODY IS MADE FOR LOVING

The human body is amazing and so is mine. I just love my body shape, especially my booty, but my boobs and pussy are sweet, too. The girls I've fucked have all complimented me on it, but guys, I think, are a little more reserved. They just don't know how to flatter a woman, especially when she is naked.

I admit that I love a good cock. It doesn't have to be big, or thick or long. I just only ask that the guy knows how to use it, and that he can keep it hard for the entire time we're fucking. The only time a dick should be limp is after I've made it cum.

A full-body photograph of a woman with dark hair, smiling and posing in black lace lingerie with pink trim. She has a tattoo on her right shoulder and a lip tattoo on her left hip. The background is plain white.

I may look like the cute girl next door, but I'm a prisoner of my own carnal lust. Just the thought that there's a hard cock in the room turns me on.

If I could sniff out an erection, I would. Then I'd jump on it with my mouth first, just to be sure it's hard enough for my pussy. Then if it was, I'd put it in my ass, too. Turn the pages and see.

A woman with dark hair is lying on her back on a bed, viewed from behind. She has a large, dark, bulbous anal plug inserted into her rectum. Her hands are placed on her buttocks, and the plug is visible between them. She has a pained or uncomfortable expression on her face, with her mouth open and eyes closed. The background shows a bedroom with a white headboard and a painting on the wall.

As you can see, today was an all anal day. Why, you may ask? Because my pussy got fucked so hard the night before that it was so sore today. And I had to fuck again, so the only other logical choice was to put that thick, beautiful cock into my tight, beautiful ass. Don't complain, just kick back and enjoy. I did!
